Why do You Want to be a Coach? \_\_\_\_\_

\_\_\_\_\_

**Do you have the time to coach? In addition to coaching a team, you must be able to attend coaches meetings and keep in communication with club staff regarding the team. It is important to have an assistant coach and a team manager to help with these extra duties. From time to time the club will assign professional trainers to train the players at a practice. Can you assist the trainer and not regard them as an intrusion on the team? GOU values your contribution to the players you coach and GOU thanks you in advance for your time should you be accepted to coach with our club. All coaches must pass an FYSA background check and carry a coach/volunteer pass whenever you are with the players.**
